

Mount Messages

Handwritten messages on a wooden mount
display in the store

Using the Mount Message display in the store is a fun way to communicate. The messages that you see in the store are suggestions. You can write your own messages using the message display sign, markers and paper.

Message Mount
The message sign is used to hold a message
(written on the mount)

Here's how to make your own Mount Message:

1

Choose the position where the message will be displayed and the message will be:

- To provide a message with a group
- To show a message to the group
- To make a message sign
- To provide a message with a sign
- To show a message to the group
- To provide a message with a sign

2

Write your message on the message sign. Then write the message on the message sign. You can write the message on the message sign.

- Write a message on the message sign
- Write a message on the message sign
- Write a message on the message sign
- Write a message on the message sign
- Write a message on the message sign
- Write a message on the message sign
- Write a message on the message sign
- Write a message on the message sign
- Write a message on the message sign
- Write a message on the message sign

3

Write your message on the message sign. Then write the message on the message sign. You can write the message on the message sign.

Why not have your own? Try writing your own message on the message sign.

For more information on the message sign, visit the message sign page on the website.
