The Council is currently proposing to extend the boundary of Calder Vale Conservation Area. This has commenced from the recent Conservation Area Appraisal and Management Plan for Calder Vale, through which proposals for extension of the Conservation Area boundary were made. An extensive consultation period was undertaken for the Conservation Area Appraisal and Management Plan, which was consequently adopted on 13th August at Cabinet

Following on from this, a 28-day consultation period will now occur, specifically regarding the proposed boundary extension. This period of consultation will start on 1st October and end on 29th October 2007, after which any changes will be made, and the extension confirmed. If you wish to make any comments, please send them in writing by this date to the address below:
