Dear Sir/Madam,

Our Ref: 409679

Wyre Local Plan - Publication Draft Wyre Local Plan (2011-2031) (incorporating partial update of 2022) – Proposed Main Modifications

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Natural England has no comments to make on the Publication Draft Wyre Local Plan (2011-2031) (incorporating partial update of 2022) – Proposed Main Modifications

The lack of comment from Natural England should not be interpreted as a statement that there are no impacts on the natural environment. Other bodies and individuals may wish to make comments that might help the Local Planning Authority (LPA) to fully take account of any environmental risks and opportunities relating to this document.

Should the proposal be amended in a way which significantly affects its impact on the natural environment, then in accordance with Section 4 of the Natural Environment and Rural Communities Act 2006, please consult Natural England again.

Yours faithfully,

Consultations Team

Natural England
