1 Introduction

1.1 Employment Land Availability

1.1.1 Wyre Council has identified a variety of potential employment sites in the Borough to provide choice and to meet a range of needs and uses for different types of employer.

1.1.2 The adopted Wyre Local Plan (2011-2031) has allocated land on a number of sites for B1 offices, industry, warehousing and distribution, in a number of locations to meet the employment needs of the Borough. All these sites are reviewed in this document.

1.1.3 This Employment Land Monitoring Report provides:

- An overview of the policies effecting employment land allocation and take-up in Wyre along with a brief overview of other documents produced by Wyre Council which have regard to employment issues;
- Details of all known employment land take up from 1 April 2023 to 31 March 2024;
- Details of all known employment land losses from 1 April 2023 to 31 March 2024;
- Details of all known employment land commitments, at 31 March 2024; and
- Site plans where there is still available land on allocated employment sites.

1.2 Limitations and Caveats

1.2.1 It must be noted, the figures included in this document do not include permitted developments. It should therefore be assumed that some smaller developments (i.e. change of use) may have also occurred and are not included in this document.

1.2.2 Where there has been an application permitted which includes intensification of an existing employment site, i.e. an extension or additional floor to existing employment building, only net additional floorspace is recorded as the site area already exists and would be misrepresentative. Therefore, gross figures may be recorded as no take up or loss (0 hectares).

1.2.3 Please note that the 2017/18 monitoring year is not directly comparable to previous years (2011/12-2014/15) due to changes in monitoring methodology.

1.2.4 It must also be noted the total figures within this report have been rounded to the nearest two decimal places where appropriate for consistency.

1.3 Use Classes Order

1.3.1 The Town and Country Planning (Use Classes) (Amendments) (England) Regulations 2020 came into effect on 1 September 2020. Use Classes A, B1 and D no longer exist. A new Use Class E (commercial, business and service) has been created.

This subsumes A1 (shops), A2 (financial and professional services), A3 (restaurants and cafes) and B1 (business). For previous Use Class A4 (drinking establishment) and A5 (hot food takeaway), the Use Classes have become sui generis uses. B2 and B8 remain.

1.3.2 It will be the role of the emerging new Wyre Local Plan to assess the detailed implications of the impact of the Use Classes Order changes. The Wyre Local Plan partial update of 2022 was not required to assess such implications. Former Use Class B1 now corresponds with new Use Class E(g). For the purposes of employment monitoring, the council will continue to monitor B2 and B8, alongside the new Use Class E(g).

1.3.3 The Council is in the process of carrying out an Employment Land Study which is due to be completed in 2024/25 and which will update the current Employment assessments of 2012, 2015 and 2017. The Council will be reviewing its monitoring process in line with this Employment Study.

2 Relevant Policy

2.1 National Planning Policy Framework (NPPF)

2.1.1 The National Planning Policy Framework (NPPF) was published in 2012 and has been revised in 2019, 2021 and 2023. The Framework sets out the Government's planning policies and how these are to be applied.

2.1.2 The NPPF states that the planning system should help to build a strong, responsive and competitive economy, by ensuring that sufficient land of the right types is available in the right places and at the right time to support growth, innovation and improved productivity; and by identifying and coordinating the provision of infrastructure.

2.1.3 A core planning principle of the NPPF is to proactively contribute to the achievement of sustainable development and create the conditions in which businesses can invest, expand and adapt. Significant weight should be placed on the need to support economic growth and productivity and as a minimum, provide for the objectively assessed employment needs of an area.

2.1.4 Local planning authorities should ensure that their evidence base is founded on adequate, up-to-date and relevant information with regards to the economic, social and environmental characteristics and prospects of the area.

2.1.5 Local planning authorities should assess the existing and future supply of land available for employment and ensure that it is suitable to meet the identified needs to address the specific locational requirements of different sectors.

2.2 Wyre's Development Plan

2.2.1 The Development Plan for Wyre currently comprises the following documents:

- The Wyre Local Plan (2011-2031) (incorporating partial update of 2022); and
- The Lancashire Minerals and Waste Development Framework produced by Lancashire County Council.

2.3 The Wyre Local Plan (2011-2031) and Partial Update of 2022

2.3.1 The Wyre Local Plan was adopted on 28 February 2019 and prepared in accordance with the 2012 NPPF. This Plan was updated and became the Wyre Local Plan (2011-2031) (incorporating partial update of 2022) adopted on 26 January 2023 and prepared in accordance with the 2019 NPPF. The Local Plan aims to support the local economy in Wyre in terms of job creation and investment. The evidence underpinning the Local Plan shows that in order to support job creation and in having regard to past take up, there is an objectively assessed need (OAN) for 43 hectares gross of employment land for B-class uses over the Plan period.

2.3.2 To set out an economic vision for Wyre and to meet the full employment OAN, the Local Plan sets out an overall strategic policy approach to employment development as well as specific employment land policies and site allocations to consider development proposals against.

2.3.3 The evidence underpinning the Local Plan identifies three employment sub-market areas in the borough (Wyre Peninsula; A6 Corridor; and Rural Areas) and the local plan ensures employment provision is provided in all three sub market areas to support local businesses and encourage new investment.

2.3.4 The Employment Land Monitoring Report monitors the employment land supply, which includes employment allocations in the adopted Wyre Local Plan.

2.4 Authorities Monitoring Report (AMR)

2.4.1 The Authorities Monitoring Report (AMR) (formerly referred to as the Annual Monitoring Report) is a statutory document, which monitors both the production and implementation of policy. Wyre's AMR includes a chapter on Business Development and Town Centres, in which the employment land situation in Wyre is considered.

2.5 Wyre Employment Land and Commercial Leisure Study 2012; Update and Update Addendum 2015; and 2017 Addendum II

2.5.1 During 2012, the council employed consultants to undertake an assessment of employment land across the Borough to form part of the council's evidence base for the Local Plan. The study recommended an appropriate quantum of adaptable and flexible employment floorspace for the Borough to pursue, in terms of quality and quantity, as well as recommendations on policy interventions to stimulate development. The study included a 'call for sites' exercise and also undertook viability appraisals to establish the deliverability of specific sites.

2.5.2 An update to the 2012 study was undertaken in September 2015 to reflect the latest demand forecasting elements of the 2012 study and an update addendum was produced in December 2015 to undertake sensitivity testing of the demand forecast. An Addendum II of the 2015 Commercial Market Review was undertaken in July 2017 to reflect the latest demand forecasting elements of the 2015 study. The 2015 update and the update addendum 2015 and 2017 should be read in conjunction with the 2012 study.

2.5.3 The Wyre Employment Land and Commercial Leisure Study 2012; Update and Update Addendum 2015; and 2017 Addendum II are available [online](#).

2.6 Hillhouse Technology Enterprise Zone

2.6.1 Hillhouse Technology Enterprise Zone was formally designated in November 2015 as one of the 26 new or extended Enterprise Zones across the UK, with the principal driver of the designation being job creation and industrial diversification. The site is a former chemical production facility located in Thornton within the Wyre Peninsula employment sub-market. It is a 138 hectare site currently occupied by over 40 companies, including world class multi-national businesses that include Victrex PLC (polymers) and AGC Chemical Europe Ltd (fluorochemicals and fluropolymers).

2.6.2 There are existing vacant parcels of land and areas of land available for redevelopment, including land within the secure part of the site.

2.6.3 A masterplan for the whole Enterprise Zone has been developed and formally adopted by the council in November 2018. The masterplan serves as a framework for the development of the site over its 25 year lifespan and as the site evolves, updated

iterations of the masterplan will be produced every five years to ensure it remains accurate and supports the Enterprise Zone's development. Work has started on reviewing the masterplan.

3 Wyre's Employment Land Supply

3.1 Wyre's Employment Allocations Portfolio

3.1.1 Allocating land for employment development as part of the Wyre Local Plan (2011-2031) identifies sites where employment creating developments would be acceptable. The categories of land use applicable are those defined as Use Class B1 (business), B2 (general industry) and B8 (storage and distribution) in the Town and County Planning (Use Classes) Order, 1987 (as amended)¹. Wyre Council's employment allocations portfolio currently consists of 9 allocated sites for employment development and is made of the following:

- SA2 Employment Development allocations – SA2/1 – SA2/3;
- SA3 Mixed Use Development allocations that include employment element – SA3/1 – SA3/5; and
- SA4 Hillhouse Technology Enterprise Zone allocation.

3.1.2 Table 1 below provides a full list of allocated sites within the portfolio. A full list of allocated sites including commitments and land availability can be seen in table 10. Site plans that illustrate availability are available in [appendix 5](#).

Table 1: Sites Allocated with Available Land

Reference	Site Name	Locality	Total area allocated (hectares)
	Wyre Peninsula		
SA3/1	Fleetwood Dock and Marina	Fleetwood	7.5
SA4	Hillhouse Technology Enterprise Zone	Thornton	13.00
	A6 Corridor		
SA2/2	Riverside Industrial Park Extension	Catterall	3.42
SA2/3	South of Goose Lane	Catterall	1.00
SA3/2	Joe Lane ²	Catterall	0.00
SA3/5	Land West of the A6	Garstang	4.68
	Rural Area		
SA2/1	Carrfield Works, Park Lane	Preesall Hill	0.34
SA3/3	Land West of Great Eccleston	Great Eccleston	1.00
SA3/4	Forton Extension	Forton	1.00

¹ The Town and Country Planning (Use Classes) (Amendments) (England) Regulations 2020 came into effect on 1 September 2020. Former Use Class B1 now corresponds with new Use Class E(g). For the purposes of employment monitoring, the council will continue to monitor Use Class B2 and B8, alongside the new Use Class E(g). See section 1.3 for further information.

² Please note, the site is allocated for 0.95ha. The whole site was covered by an outline permission that included 0.95ha of employment. A subsequent permission allowed at appeal reduced the quantum of land available within the allocation, with circa 0.3ha of land available. A permission on the residual area within the allocation has removed land available for employment at 31 March 2022. The employment allocation has been lost.

Total			31.94
-------	--	--	-------

3.1.3 It is important that a range of sites of varying size, location and quality are available in order to provide choice and to meet a range of needs and uses for different types of employer. The quality of a site relates to factors such as ease of access, its environmental surroundings, existing buildings and services at or near the site and the economic implications of development there.

3.2 Wyre's Existing Employment Areas

3.2.1 Wyre Local Plan designates 25 existing employment areas, which were identified as part of the Wyre Employment Land and Commercial Leisure Study 2012 and 2015, additional areas have also been subsequently identified by the council in 2017. A proforma for each site is included within the study and subsequent updates. Table 2 below provides a full list of existing employment areas.

Table 2: Wyre's Existing Employment Areas

Name	Reference ³	Locality	Total area (Hectares)
Dorset Avenue	WY01	Cleveleys	2.24
St Georges Lane	WY02	Cleveleys	0.45
Red Marsh Industrial Estate	WY07	Thornton	10.2
Copse Road	WY08	Fleetwood	29.19
Poulton Industrial Estate	WY11	Poulton-le-Fylde	34.95
Robson Way	WY12	Poulton-le-Fylde	3.58

Back Lane/ The Weind	WY30	Great Eccleston	0.51

³ Refers to reference number contained in the Employment Land and Commercial Leisure Study 2012, 2015 and council additional sites 2017. Please note that some of the existing employment areas identified in the study are not a designated area in the Wyre Local Plan (2011-2031) and protected as an employment site under policy EP3.

Nightjar	WY31	Inskip	1.93
Cabus Commercial Park	WY32	Cabus	2.14
Tarnacre Hall Business Park	WY33	St. Michaels	1.9
Hillfoot Farm	WY34	Scorton	0.59

4 Employment Land Take Up and Losses

4.1 Introduction

4.1.1 In order to monitor take up rates (completions), information was collected from extant planning permissions, building control records and onsite monitoring where necessary. Take up is recorded by gross site area (hectares) and additional net floorspace (sqm). However, where there has been an application permitted which includes intensification of an existing employment site, i.e. an extension or additional floor to existing employment building, only net additional floorspace is recorded as the site area already exists and would be misrepresentative. Therefore, gross figures may be recorded as no take up or loss (0 hectares).

4.1.2 Details regarding individual completions and losses can be seen in the appendices.

4.2 Employment Land Take Up on Allocated Sites

4.2.1 As shown in table 3, during 2023-2024, there was 0 hectares gross take up and 0 additional square metres developed on none of the nine sites allocated for employment use.

Table 3: Employment Land Take Up on Allocated Sites

Allocation (Employment Area)	Gross Take Up (Ha)	Gross Take up (sqm)	Gross Take up (sqm)	Gross Take up (sqm)	Gross Take up (sqm)	Gross Take up (sqm)	Total Net Take Up (sqm)
		E(g)(i)	E(g)(ii)	E(g)(iii)	B2	B8	
	0	0	0	0	0	0	0
Total	-	-	-	-	-	-	-

4.3 Employment Land Take Up within Existing Employment Areas

4.3.1 To avoid double counting, this section excludes allocations within existing employment areas; such sites are included in section 4.2.

4.3.2 As shown in table 4, during 2023-2024, there was 0 hectares gross take up and 2,049 square metres net take up within one existing employment area. This square metres take up has arisen through intensification of an existing site. More details are available in [appendix 1](#).

Table 4: Employment Land Take Up within Existing Employment Areas

Existing Employment Area	Gross Take Up (Ha) ⁴	Gross Take up (sqm)	Gross Take up (sqm)	Gross Take up (sqm)	Gross Take up (sqm)	Gross Take up (sqm)	Total Net Take Up (sqm)
		E(g)(i)	E(g)(ii)	E(g)(iii)	B2	B8	
Oakenclough Mill	0	0	0	0	2,049	0	2,049
Total	0	0	0	0	2,049	0	2,049

4.4 Other Employment Land Take Up

4.4.1 As shown in table 5, during 2023-2024, there was 0.42 gross (hectares) take up and 2,284 square metres net take up developed on non-allocated or non-existing employment areas.

Table 5: Employment Land Take Up on Other Sites

No. of sites	Gross Take Up (Ha)	Gross Take Up (sqm)	Gross Take Up (sqm)	Gross Take Up (sqm)	Gross Take Up (sqm)	Gross Take Up (sqm)	Total Net Take Up (sqm)
		E(g)(i)	E(g)(ii)	E(g)(iii)	B2	B8	
5	0.42	158	0	0	161	1,965	2,284

4.5 Gross take up on previously developed land (PDL)

4.5.1 In total, an additional 0.42 hectares (gross) was developed during 2023-2024. Table 6 illustrates 69 percent of land was taken up on previously developed land (PDL). Those that were not taken up on previously developed land were taken up through change of use of, and extensions to, buildings previously in agricultural use. The National Planning Policy Framework makes clear agricultural buildings cannot be classed as brownfield.

Table 6: Percentage (%) Gross Take Up (Ha) on PDL

	Allocated	Existing Employment Area	Other	Total
Brownfield (PDL)	0	0	0.02	0.02

⁴ Some applications recorded as no gross take up (0 hectares), see paragraph 4.1.1

Greenfield	0	0	0.4	0.4
Percentage on PDL (%)				5

4.6 Gross take up by employment sub-market area

4.6.1 Table 7 illustrates the proportion of gross employment take up for the three employment sub-markets, with 100 percent of land taken up within the Rural Area sub-market.

Table 7: Percentage (%) Gross Take Up (Ha) by sub-market area

Sub-market area	Total	Percentage
Wyre Peninsula	0	0
A6 Corridor	0	0
Rural Area	0.42	100
Total	0.42	100

4.7 Total Employment Land Take Up since 2011

4.7.1 Table 8 illustrates gross take up (hectares) between 2011 and 2024 was 21.00 hectares. This equates to an annual average take up of 1.62 hectares per annum. In terms of allocated sites⁵, there has been a total take up of 5.45 hectares, equating to 0.42 hectares per annum. In terms of unallocated sites, there has been a total take up of 15.55 hectares, equating to 1.20 hectares per annum.

Table 8: Gross (Ha) Employment Land Completions, 2011- 2024

Year	Allocated Sites	Existing Employment Areas	Other	Total Take Up
2011/12	2.74	0	0.02	2.76
2012/13	0	0	1.75	1.75
2013/14	0	0	0.40	0.40
2014/15	0	0.1	0.7	0.80
2015/16	0.84	0.35	0	1.19
2016/17	0.23	1.07	1.05	2.35
2017/18	0.46	0	2.90	3.36
2018/19	0	3.58	0.09	3.67 ⁶
2019/20	0	0	0.51	0.51
2020/21	0	0.1	0	0.1
2021/22	0	0	0.53	0.53
2022/23	1.18	0	1.98	3.16
2023/24	0	0	0.42	0.42
Total	5.45	5.2	10.35	21.00

⁵ 2011/12-2017/18 is based upon allocations in the then adopted Wyre Borough Local Plan (1991-2006) and Fleetwood-Thornton Area Action Plan 2009. 2018/19-2020/21 is based upon allocations in the adopted Wyre Local Plan (2011-2031).

⁶ Completions revised for 2018/19 due to completion reporting delay.

4.8 Employment Land Losses, 2011 - 2024

4.8.1 As shown in table 9, during 2023-2024, there was 0.14 hectares of employment land lost to other uses. Since 2011, there has been a total 10.08 hectares lost to other uses equating to 0.84 hectares per annum.⁷

4.8.2 As set out in section 1.2, due to permitted development, it can be assumed that there may have been smaller scale employment land loss that are not recorded within this monitoring report.

Table 9: Gross (Ha) Employment Land Losses, 2011- 2024

Year	Allocated Sites	Existing Employment Areas	Other	Total Loss
2011/12	0	0.08	0.01	0.09
2012/13	0	0.02	0.02	0.04
2013/14	0.4	0	0	0.4
2014/15	0	0	0.24	0.24
2015/16	0	0.01	0.17	0.18
2016/17	0	0.93	0	0.93
2017/18	0	0.12	5.00	5.12
2018/19	0	0.02	0.08	0.1
2019/20	0	0	0	0
2020/21	0	0	0	0
2021/22	0	0.04	0.84	0.88
2022/23	1.8	0	0.3	1.83
2023/24	0	0.14	0	0.14
Total	2.2	1.36	6.66	10.22

⁷ Current employment monitoring records loss once alternative development is completed.

5 Employment Land Availability

5.1 Employment Land Availability on Allocated Sites

5.1.1 This document identifies a range of employment sites on offer to potential developers. As at 31 March 2024 there was approximately **30.76 hectares** of land available for employment development, of which, 7.68 hectares is committed through the grant of planning permission. The extent of each employment allocation, existing commitments and land available is illustrated in [Appendix 5](#).

Table 10: Sites Allocated with Available Land and Commitments (Gross Ha)

Ref	Site Name	Locality	Hectares available (uncommitted)	Hectares committed ⁸	Total area (hectares)
	Wyre Peninsula				
SA3/1	Fleetwood Dock and Marina	Fleetwood	6.32	0	6.32
SA4	Hillhouse Technology Enterprise Zone	Thornton	13.00	0	13.00
	A6 Corridor				
SA3/2	Joe Lane ⁹	Catterall	0	0	0.0
SA2/2	Riverside Industrial Park Extension	Catterall	3.42	0	3.42
SA2/3	South of Goose Lane	Catterall	0	1.00	1.00
SA3/5	Land West of the A6	Garstang	0	4.68	4.68
	Rural Area				
SA2/1	Carrfield Works, Park Lane	Preesall Hill	0.34	0	0.34
SA3/3	Land West of Great Eccleston	Great Eccleston	0	1.00	1.00
SA3/4	Forton Extension	Forton	0	1.00	1.00
Total			23.08	7.68	30.76

5.2 Employment Land Availability Through Granted Planning Permissions

5.2.1 As at 31 March 2024, there were 43 commitments totalling approximately 12.33 hectares (gross) and providing an additional 49,333 sqm floorspace (net). These are planning permissions granted but the development has not been completed.

⁸ Land committed through planning permissions granted.

⁹ The whole site is covered by an outline permission 15/00248/OUTMAJ that included 0.95ha of employment land. A subsequent permission allowed at appeal reduced the quantum of land available within the allocation, with circa 0.3ha of land available at the 31 March 2021. A permission on the residual area within the allocation has removed land available for employment at 31 March 2022. The employment allocation has been lost.

5.2.2 Of the 43 commitments, 9 are allocated sites, 12 are within existing employment areas and the remaining 22 are other sites located around the borough. More details can be seen in [appendix 3](#).

5.2.3 However, there are an additional 13 commitments which include a loss of employment land, totalling approximately 13.58 hectares (gross) and 52,658 sqm floorspace (net). Of the 13 commitments, 7 commitments are on allocated sites, 1 is within an existing employment area and the remaining 5 are other sites located around the borough. More details can be seen in [appendix 4](#).

5.3 Employment Land Supply

5.3.1 Table 11 below shows the overall available employment land supply for the Plan period. This shows the overall supply is 54.41 hectares. This is made up of commitments at 31 March 2024, in addition to allocations in the Local Plan.

Table 11: Employment Land Supply (gross)

	Hectares
Completions 1 April 2011 – 31 March 2024	21.00
Commitments	12.33
<i>Allocated:</i>	7.68
<i>Wyre Peninsula</i>	0.00
<i>A6 Corridor</i>	5.68
<i>Rural Area</i>	2.00
<i>Unallocated sites</i>	4.65
<i>Wyre Peninsula</i>	0.16
<i>A6 Corridor</i>	3.35
<i>Rural Area</i>	1.14
Allocations (excluding commitments)	23.08
<i>Wyre Peninsula</i>	19.32
<i>A6 Corridor</i>	3.42
<i>Rural Area</i>	0.34
Large scale employment loss¹⁰	-2
Total employment land supply	54.41

¹⁰ Employment land losses have been factored into the employment requirement. However, that does not include the loss of an additional 2 hectares from the allocation of Clarke House at Norcross for housing (SA1/9). It is therefore taken off the supply.

Table 12: Employment Allocated Land and Net Take Up Rates in Wyre, April 2011 to March 2024 (hectare take up only)

Wyre Local Plan (2011-2031) Site Name	Adopted Local Plan	Take up 2011/12	Take up 2012/13	Take up 2013/14	Take up 2014/15	Take up 2015/16	Take up 2016/17	Take up 2017/18	Take up 2018/19	Take up 2019/20	Take up 2020/21	Take up 2022/23	Take up 2023/24	Available for take up
Carrfield Work, Preesall Hill	SA2/1	0	0	0	0	0	0	0	0	0	0	0	0	0.34
Riverside Industrial Park Extension, Catterall	SA2/2	0	0	0	0	0	0	0	0	0	0	0	0	3.42
South of Goose Lane, Catterall	SA2/3	0	0	0	0	0	0	0	0	0	0	0	0	1.00
Fleetwood Dock and Marina, Fleetwood	SA3/1	0	0	0	0	0	0	0	0	0	0	1.18	0	6.32 ¹¹
Joe Lane, Catterall	SA3/2	0	0	0	0	0	0	0	0	0	0	0	0	0 ¹²
Land west of Great Eccleston, Great Eccleston	SA3/3	0	0	0	0	0	0	0	0	0	0	0	0	1.00
Forton Extension, Forton	SA3/4	0	0	0	0	0	0	0	0	0	0	0	0	1.00
Land West of the A6, Garstang	SA3/5	0	0	0	0	0	0	0	0	0	0	0	0	4.68
Hillhouse Technology Enterprise Zone, Thornton	SA4	1.14	0	0	0	0.84	0	0.46	0	0	0	0	0	13.00
		1.14	0	0	0	0.84	0	0.46	0	0	0	1.18	0	30.76

¹¹ Fleetwood Dock – gross take up of 1.18 in 22/23 but future loss of suspended quay (0.89ha) and existing fish park (0.99ha) due to be demolished. Overall will be net loss but SA3/5 policy is a gross requirement.

¹² See comment regarding loss of employment site in comments in Table 1

6 Conclusions

6.1.1 Wyre Council has identified a variety of potential employment sites in the Borough to provide choice and to meet a range of needs and uses for different types of employer.

6.1.2 The adopted Wyre Local Plan (2011-2031) has allocated land on a number of sites for E(g) offices, industry, warehousing and distribution, in a number of locations to meet the employment needs of the Borough.

6.1.3 Since the adoption of the Wyre Local Plan in February 2019, there has been 1.18 hectare take up of employment land on allocated employment sites. This low take up on allocated employment land is not unexpected, due to the relatively recent adoption of the Local Plan and the potential lead in time for delivery. This may also be associated with the Covid-19 pandemic or market conditions. It is noted that 7.68 ha of employment land is committed on employment allocations, which when built out, will contribute to employment completions.

6.1.4 It is noted that although non-allocated employment developments have historically contributed towards employment completions, there has also been a low level of completions on these windfall sites over recent years. This may be associated with the Covid-19 pandemic or market conditions. It is noted that 4.65 ha of employment land is committed on non-allocated employment development, which if and when built out, will contribute to employment completions.

7.5 Appendix 5: Site plans for Allocated Employment Sites

7.5.1 Allocating land for employment identifies sites where employment creating developments would be acceptable or encouraged. The categories of land use applicable are those defined as B1 (business), B2 (general industry), and B8 (storage and distribution) in the Town and Country Planning (Use Classes) Order, 1987 (as amended). Please see section 1.3 regarding changes to the Use Classes Order. For the purposes of employment monitoring, the council will continue to monitor B2 and B8, alongside the new Use Class E(g).

7.5.2 The following plans should be used in conjunction with the Adopted Wyre Local Plan (2011-2031) Policies Map (available using link [Local plan 2011-2031 – Wyre Council](#)).

7.5.3 Some sites may have planning permission but might not have commenced or development is not yet completed. The site boundaries will be updated in future reports to reflect the current site status.

7.5.4 The sites listed below are allocated within the adopted Wyre Local Plan (2011-2031) that have available employment land for additional take up:

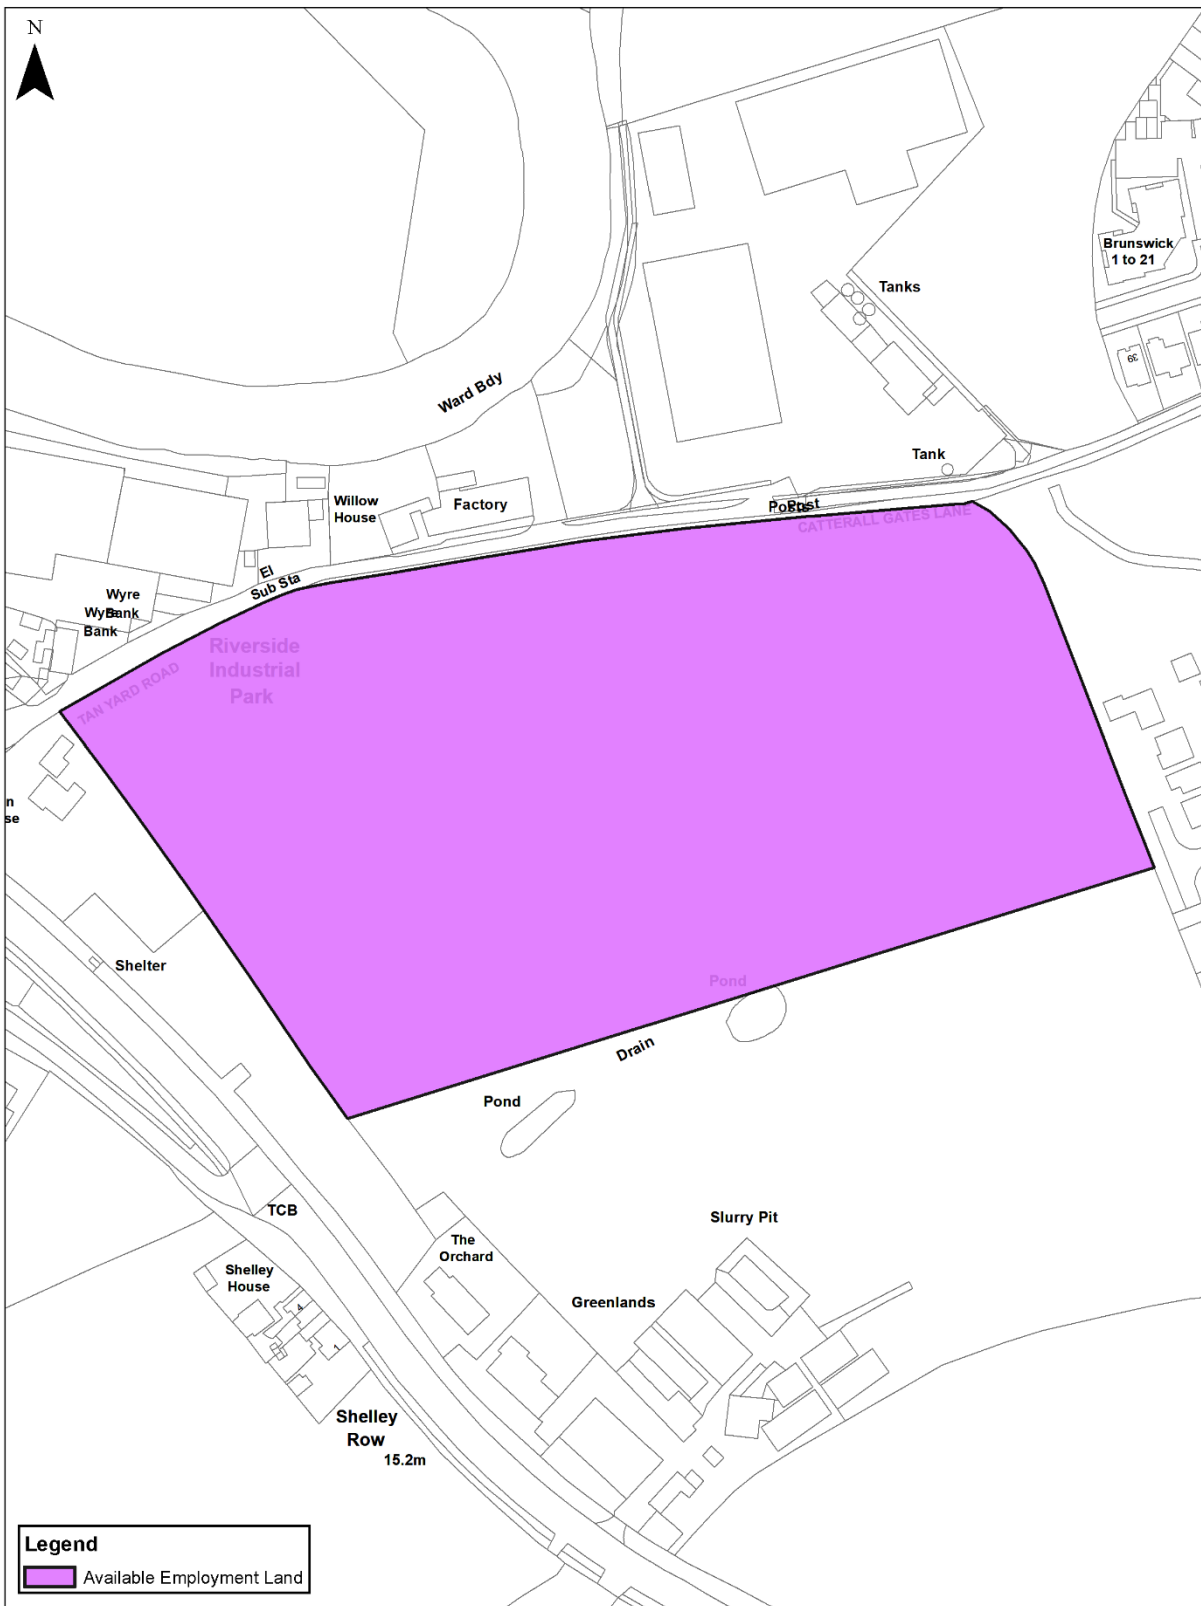

- SA2/1 [Carrfield Works, Park Lane](#)
- SA2/2 [Riverside Industrial Park](#)
- SA2/3 [South of Goose Lane](#)
- SA3/1 [Fleetwood Dock and Marina](#)
- SA3/3 [Land West of Great Eccleston](#)
- SA3/4 [Forton Extension](#)
- SA3/5 [Land West of the A6](#)
- SA4 [Hillhouse Technology Enterprise Zone](#)

Please note that allocated employment land is not owned or controlled by Wyre Council and any further information required should be established through engagement with the relevant landowners. The plans are provided for illustrative purposes only and some boundaries may have changed.

SA2/1 Carrfield Works, Park Lane

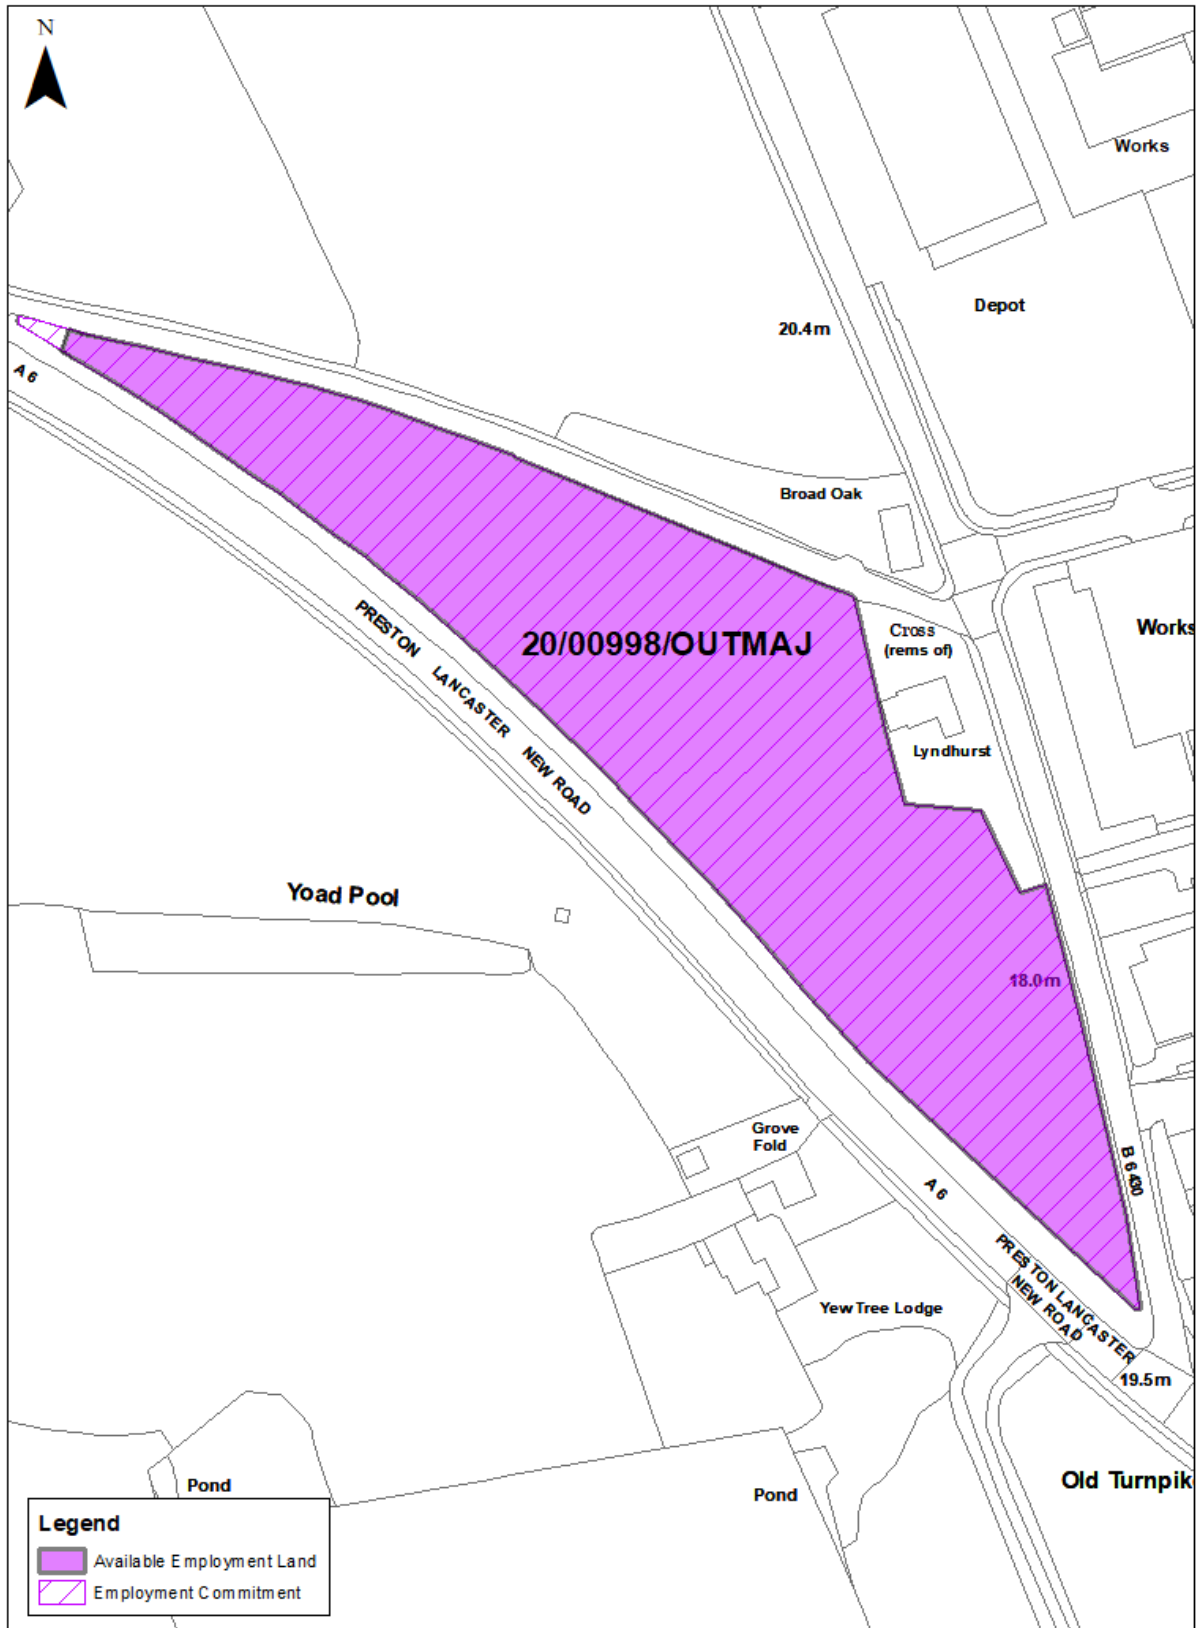

SA2/2 Riverside Industrial Park

SA2/2 Riverside Industrial Park Extension, Catterall - Employment Designation

SA3/1 Fleetwood Dock and Marina

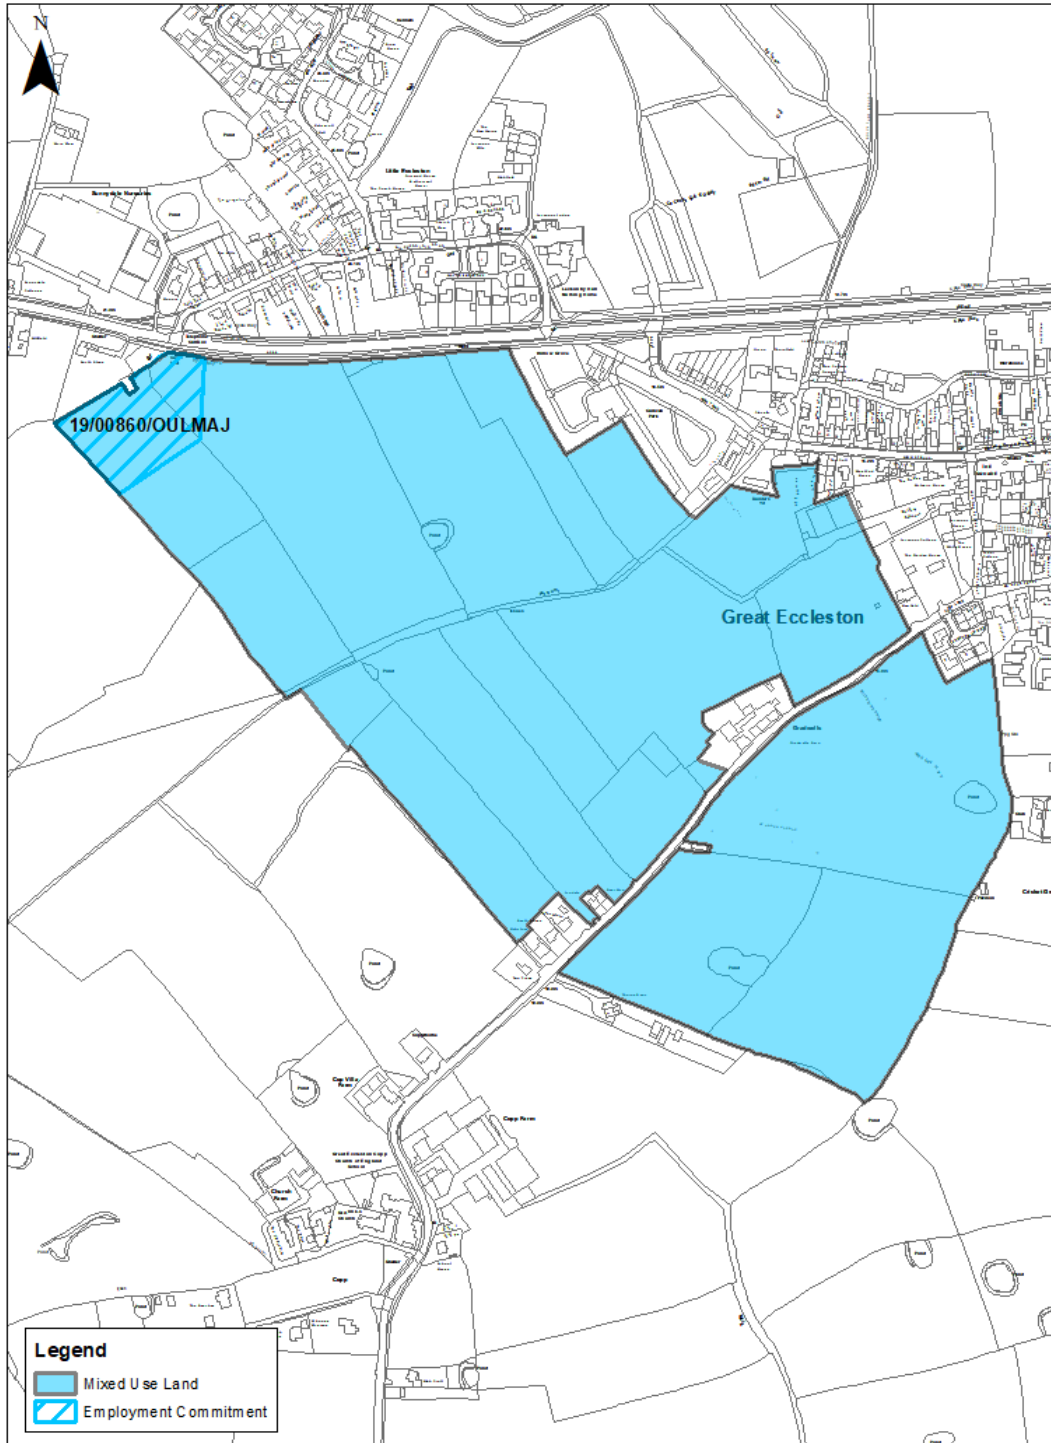

wyre
council

SA3/1 Fleetwood Docks and Marina, Fleetwood - Mixed Use Development

This map is reproduced from Ordnance Survey material with the permission of Ordnance Survey on behalf of the Controller of His Majesty's Stationery Office © Crown copyright. Unauthorised reproduction infringes Crown copyright and may lead to prosecution or civil proceedings. Wyre Council Licence Number: 100016720 2024

Please note - The site is a mixed use allocation and includes a requirement for 7.5ha gross employment land. There is an employment completion for a new food and fish processing park (B2). It is estimated that a further 6.32ha is available for employment. However, because the allocation is for mixed use, it is not possible to illustrate which area within the allocation is available for employment purposes. Further investigations with the appropriate land owners should be carried out.

SA3/3 Land West of Great Eccleston

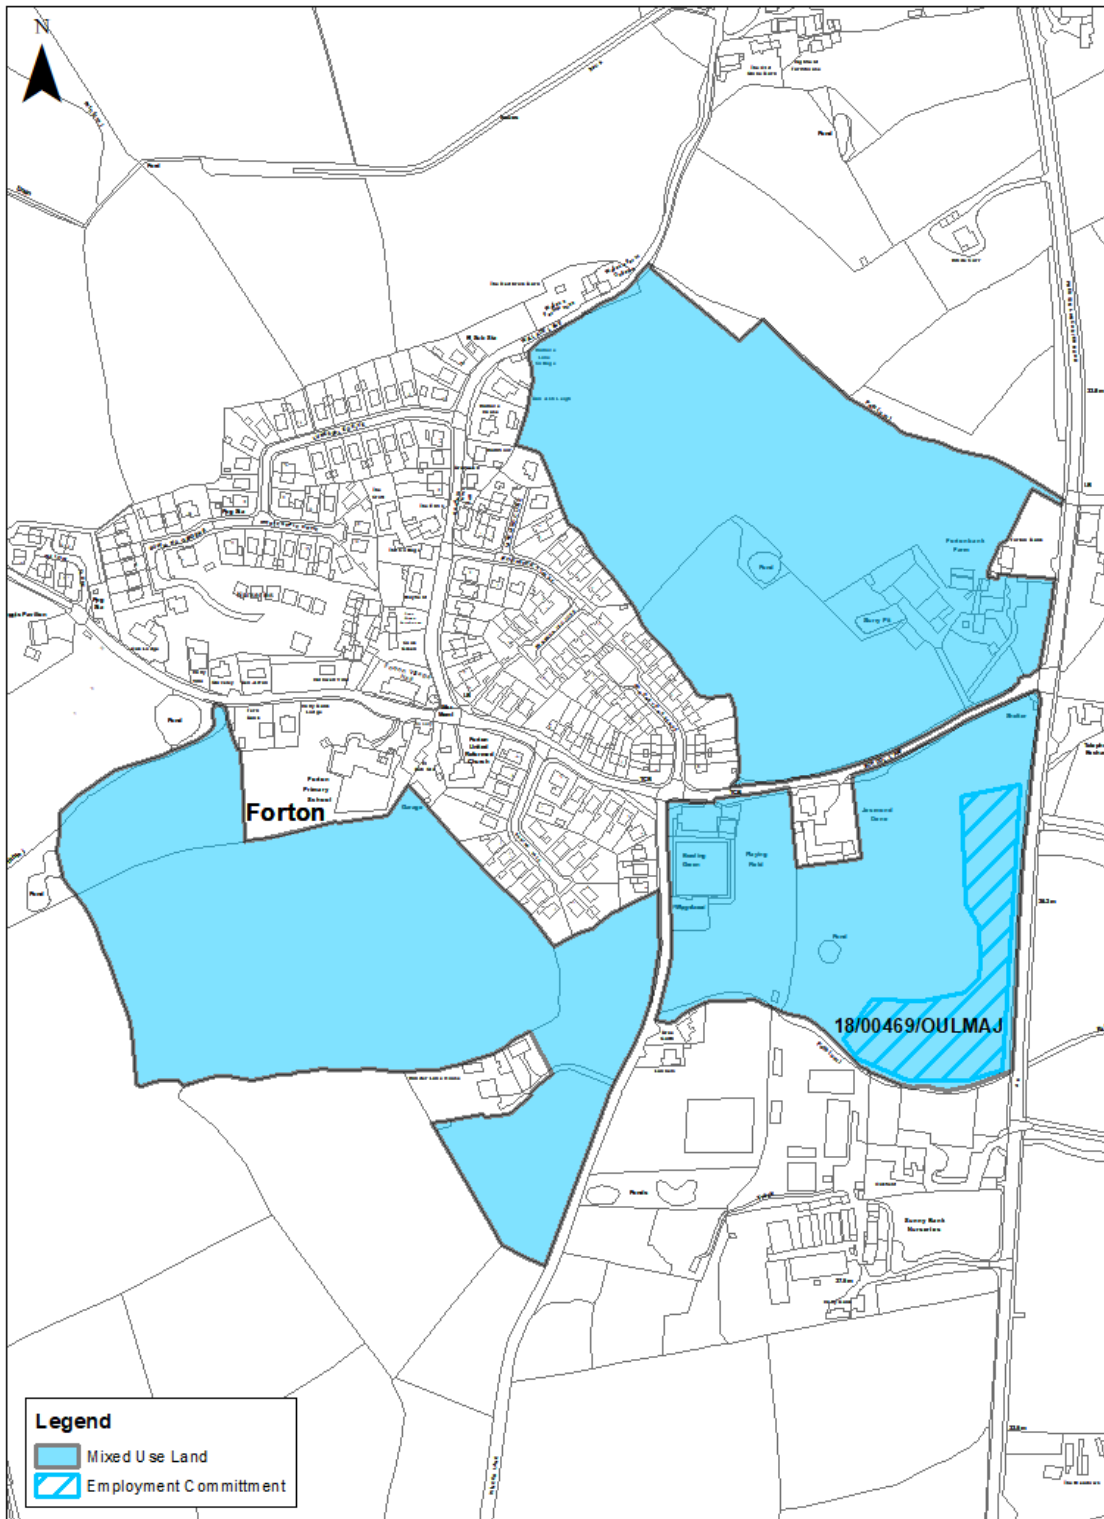

SA3/3 Land West of Great Eccleston, Great Eccleston - Mixed Use Development

This map is reproduced from Ordnance Survey material with the permission of Ordnance Survey on behalf of the Controller of His Majesty's Stationery Office © Crown copyright. Unauthorised reproduction infringes Crown copyright and may lead to prosecution or civil proceedings. Wyre Council Licence Number: 100018720 2023

Please note – The allocation is for mixed use, a masterplan for the site has been prepared that illustrates which section of the site is available for employment purposes - [Masterplan sites – Wyre Council](#) – a planning application (19/00860/OULMAJ) that includes the location of the 1ha of employment land was granted planning permission 21 March 2022. Should any detailed proposals for employment uses come forward on the land at a later date these could come forward via a reserved matters application following the outline consent in 2022.

SA3/4 Forton Extension

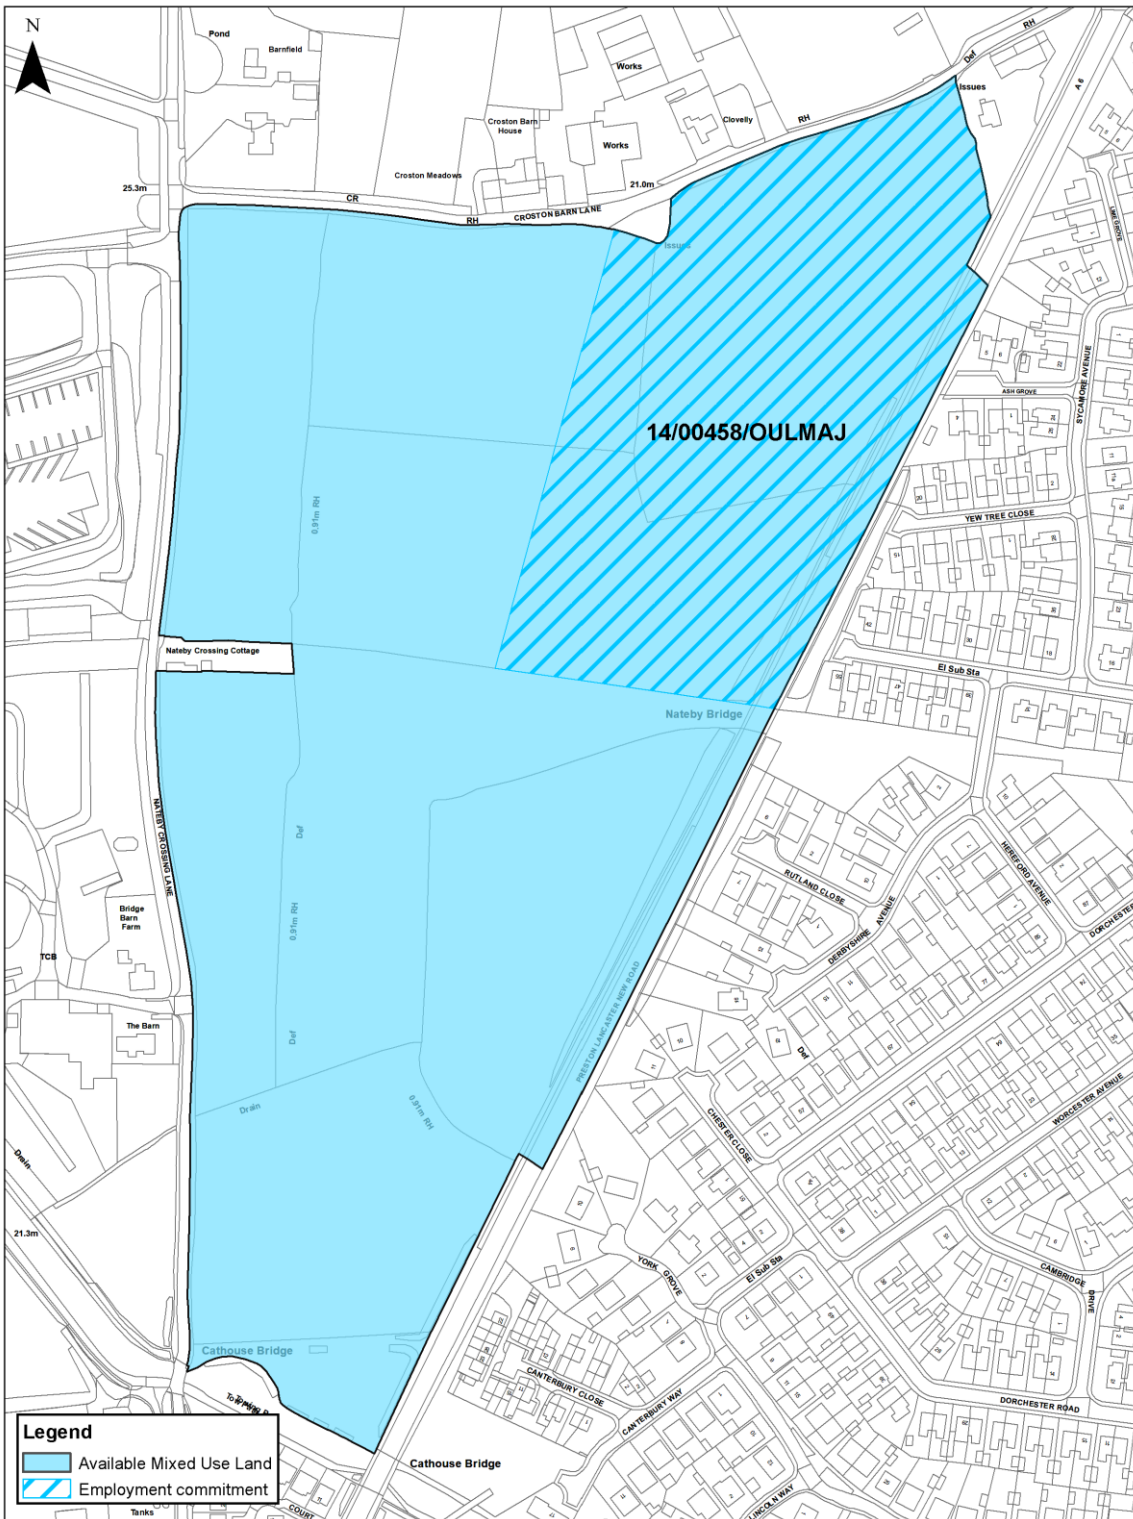

SA3/4 Forton Extension, Forton - Mixed Use Development

This map is reproduced from Ordnance Survey material with the permission of Ordnance Survey on behalf of the Controller of His Majesty's Stationery Office © Crown copyright. Unauthorised reproduction infringes Crown copyright and may lead to prosecution or civil proceedings. Wyre Council Licence Number: 100018720/2023

Please note – The allocation is for mixed use, a masterplan for the site has been prepared that illustrates which section of the site is available for employment purposes [Masterplan sites – Wyre Council](#) – a planning application (18/00469/OULMAJ) that includes the location of the 1ha of employment land was granted outline permission on 8 November 2021.

SA3/5 Land West of the A6

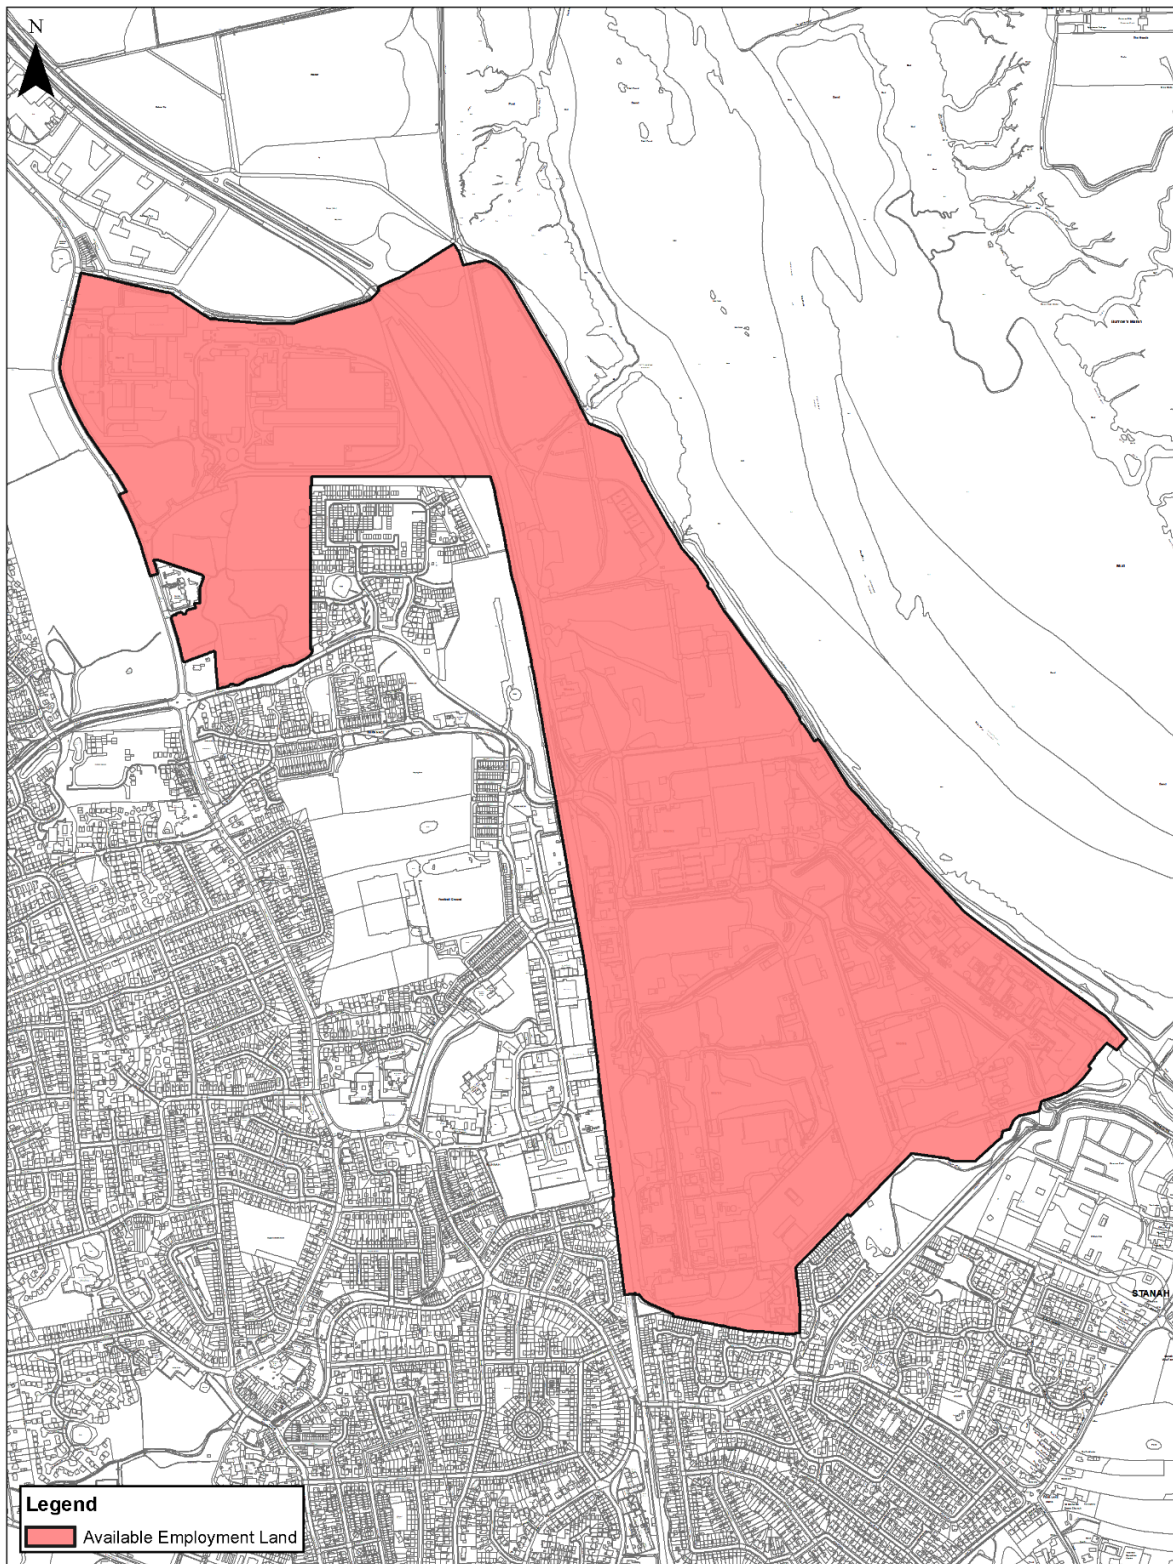

wyre council SA3/5 - Land West of the A6, Garstang - Mixed Use Development

This map is reproduced from Ordnance Survey material with the permission of Ordnance Survey on behalf of the Controller of Her Majesty's Stationery Office © Crown copyright. Unauthorised reproduction infringes Crown copyright and may lead to prosecution or civil proceedings. Wyre Council Licence Number: 100018720 2021

Please note – The allocation is for mixed use, a masterplan for the site has been prepared that illustrates which section of the site is available for employment purposes [Masterplan sites – Wyre Council](#) – a planning application (14/00458/OULMAJ) that includes the location of the 4.68ha of employment land was granted outline permissions on 24 March 2017.

SA4 Hillhouse Technology Enterprise Zone

SA4 - Hillhouse Technology Enterprise Zone, Thornton

This map is reproduced from Ordnance Survey material with the permission of Ordnance Survey on behalf of the Controller of Her Majesty's Stationery Office © Crown copyright. Unauthorised reproduction infringes Crown copyright and may lead to prosecution or civil proceedings. Wyre Council Licence Number: 100016720 2021

Please note – The allocation is for mixed use, a masterplan for the site has been prepared that illustrates which sections of the site are available for employment purposes. Work has started on reviewing the adopted Masterplan.
