

## Site Allocations

### SA3/4 – Forton Extension, Forton

#### New GI designation within the urban area of Forton

### SA3/4 – Forton Extension, Forton

#### Key Development Consideration 2

The development should be supported by a landscape and green infrastructure framework incorporating structured tree planting, on-site open space to include formal and informal play and pedestrian and cycle connectivity within and outside the site.

#### Proposed Amendment

The development should be supported by a landscape and green infrastructure framework incorporating structured tree planting, on-site open space to include formal and informal play and pedestrian and cycle connectivity within and outside the site. An area of green infrastructure should be located on the southern part of the allocation as shown on the proposal map and Policy SA3/4 plan which will contribute towards a strategic area of separation between Forton and Hollins Lane.
